YMCA of Owen Sound Grey Bruce Update: August 13, 2020

Covid Screening

We will be moving to self-screening starting August 17th. Please answer the screening questions and be sure to stay home if feeling unwell. Remember your mask and membership card, and sign in with staff at the Welcome Desk.

Member Swims & Change Room

Members will continue to enter the pool through the Girls Change Room and exit out of the Family Change Room. Please shower before you arrive to the facility.

The co-ed Family Change Room will have limited use of four showers and six cubicles for changing. Please be patient while waiting to use the shower and cubicles as we continue to stay physically distanced.

Members can change into dry clothes in a cubicle before leaving. If showering, members can put their belongings in a cubicle, and then shower in their bathing suits before returning to the cubicle to change. Only four people are permitted to use the showers at once. Please be prepared to wait at a distance if showers are full.

We encourage members to continue to shower at home after their swim, due to the limited capacity in the Family Change Room.

We thank you for taking part in our FREE pilot reopening and look forward to welcoming more members back soon as we increase our program offerings while keeping everyone safe!

Reactivate Your Membership Between August 25th - August 28th To Continue Your Access To The Y Starting On August 31st.

Our FREE pilot phase will end on Friday, August 28th, 2020. Members wishing to continue accessing the facility without an interruption may begin reactivation of membership by notifying Member Services at 519-376-0484 or osgb.member@osgb.ymca.ca between August 25th and August 28th.

Thank you! No membership fees will be charged for two weeks from the date of membership activation as a thank you for Staying With Us and to return any over payments made in March 2020.
